COMPANY PROFILE

One Source. Every Business Need.

EST. 2015

WHO WE ARE

BUILT ON EXPERIENCE. READY FOR WHAT'S NEXT.

vendō is an Egyptian procurement, general supplies, and integrated business services company established in 2015.

Built on more than a decade of experience serving government and public-sector organizations, we are expanding our capabilities to support private-sector businesses across Egypt.

From everyday operational supplies to complex multi-service requirements, we provide organizations with one dependable source for products, services, implementation, and ongoing support.

Public-Sector Experience.
Private-Sector Growth.

ONE SOURCE. EVERY BUSINESS NEED.

Business needs rarely come from one category. vendō brings procurement, supplies, technical services, maintenance, branding, and logistics together through one coordinated partner.

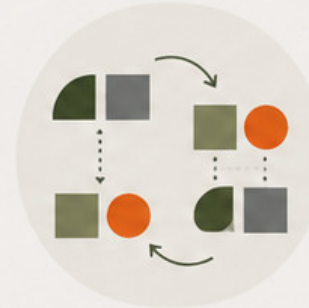

ONE POINT OF CONTACT

One partner from request to delivery.

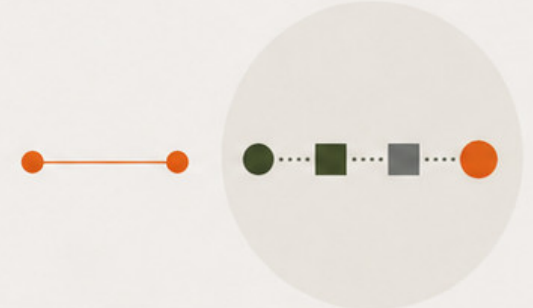

MULTI-CATEGORY CAPABILITY

Products and services covering diverse operational requirements.

FLEXIBLE ENGAGEMENT

One-time, recurring, urgent, and project-based requirements.

END-TO-END SUPPORT

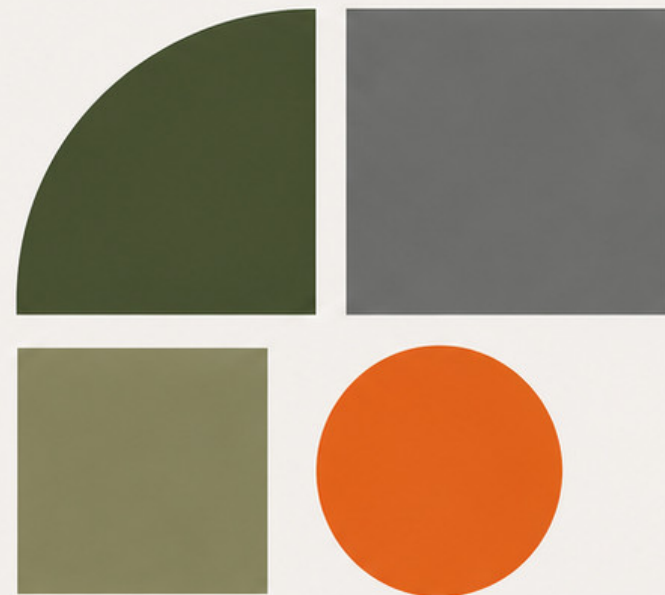

Supply, installation, operation, maintenance, and after-sales support.

Different Needs. One Flexible Source.

COMPLETE SERVICE ECOSYSTEM

OUR CAPABILITIES

A complete range of products and services brought together through one coordinated partner for everyday operations, specialized requirements, and complete business projects.

1. PROCUREMENT & GENERAL SUPPLIES

One-time, recurring, urgent, and project-based sourcing.

2. TECHNOLOGY & WORKPLACE

IT, office supplies, furniture, and complete workspace requirements.

3. CLEANING & HOSPITALITY

Hygiene products, professional cleaning, pantry, and catering support.

4. FACILITIES & FIT-OUT

Maintenance, contracting, finishing, and building materials.

5. BRANDING, PRINT & PROMOTION

Print, signage, uniforms, promotional gifts, marketing, and design.

6. SAFETY, INDUSTRIAL & FLEET

PPE, fire safety, tools, equipment, spare parts, and vehicle supplies.

7. LOGISTICS & BUSINESS SETUP

Storage, distribution, multi-site delivery, and turnkey branch setup.

One coordinated partner across every category.

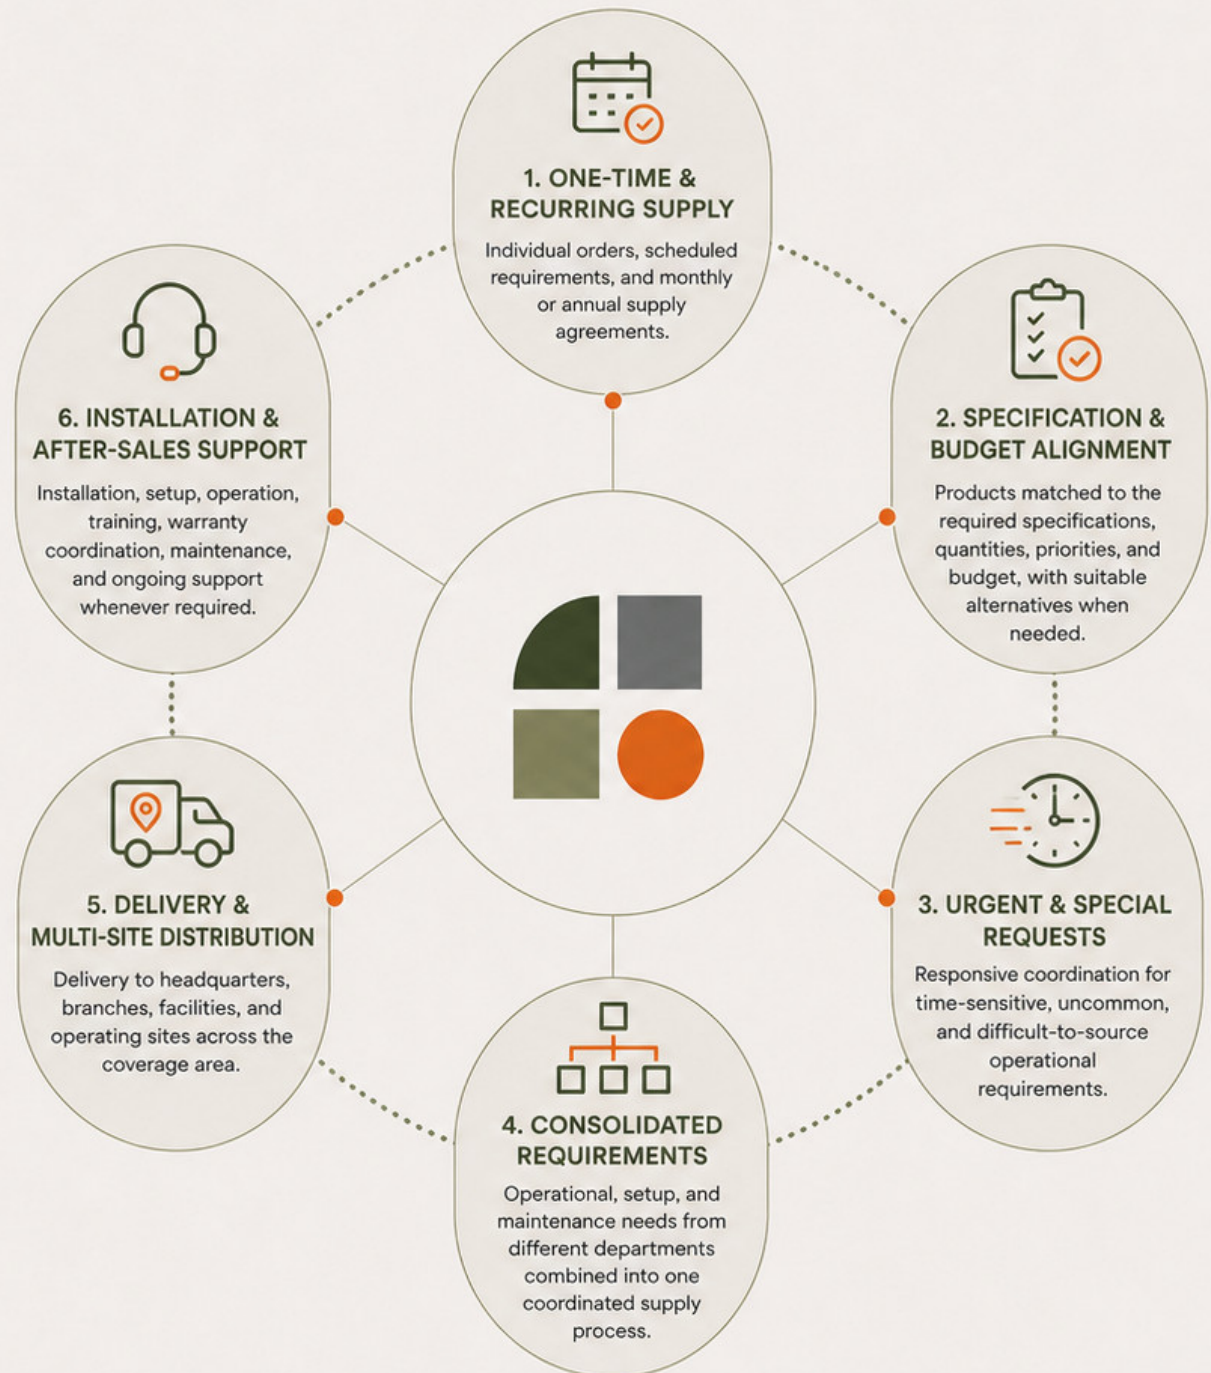

CORE CAPABILITY

PROCUREMENT & GENERAL SUPPLIES

One point of contact for all your business needs.

vendō coordinates planned, recurring, urgent, and project-based operational requirements from request to delivery, helping organizations manage diverse products and services through one dependable source.

From a single item to a complete operational project.

TECHNOLOGY & IT SOLUTIONS

Reliable technology for connected, secure, and productive workplaces.

From end-user devices and document systems to networks, security, communications, and technical support, vendō delivers practical IT solutions aligned with business requirements.

COMPUTING & MOBILITY

Desktop computers, laptops, tablets, business phones, monitors, accessories, and peripherals.

PRINT & DOCUMENT SYSTEMS

Printers, copiers, scanners, ink, toner, consumables, spare parts, and related maintenance requirements.

SERVERS, NETWORKS & POWER

Servers, storage, UPS units, batteries, routers, switches, access points, structured cabling, and wired or wireless network installation.

SURVEILLANCE, ACCESS & ATTENDANCE

CCTV, recording systems, attendance devices, and controlled entry and exit systems.

COMMUNICATIONS, SOFTWARE & DATA

PBX systems, internal communications, software licensing, endpoint protection, backup, and data-protection requirements.

TECHNICAL SUPPORT & MAINTENANCE

Installation, configuration, repairs, preventive maintenance, and recurring support contracts.

OFFICE SUPPLIES & DOCUMENT SOLUTIONS

Everyday essentials that keep teams organized and operations moving.

vendō supplies the recurring office and document-management requirements used across departments, meeting rooms, archives, reception areas, and administrative facilities.

PAPER, FORMS & STATIONERY

Paper, pens, writing tools, notebooks, printed forms, and everyday stationery.

FILES, ARCHIVING & SECURE STORAGE

Folders, binders, document boxes, archiving accessories, filing cabinets, safes, and secure record storage.

PRINT CONSUMABLES

Ink cartridges, toner, printer consumables, replacement supplies, and scheduled replenishment.

MEETING & PRESENTATION SUPPLIES

Whiteboards, display tools, presentation accessories, and meeting-room consumables.

DOCUMENT FINISHING EQUIPMENT

Laminators, cutters, staplers, binding machines, and related consumables.

MAILROOM & RECURRING OFFICE SUPPLY

Envelopes, mailing and packaging materials, labels, and scheduled replenishment of frequently used office requirements.

OFFICE FURNITURE & WORKSPACE SOLUTIONS

Functional workplaces planned around people, space, and daily operations.

vendō supports complete workplace requirements, from individual furniture items to customized office layouts, installation, refurbishment, and workspace reconfiguration.

DESKS, SEATING & WORKSTATIONS

Executive desks, task desks, administrative chairs, ergonomic seating, and complete workstation systems.

MEETING, RECEPTION & SERVICE AREAS

Meeting tables, conference seating, reception counters, waiting areas, and customer-service desks.

STORAGE & LIBRARIES

Wooden and metal cabinets, shelving, libraries, lockers, and document-storage units.

CUSTOM FURNITURE & SOFT FURNISHINGS

Made-to-measure furniture, curtains, blinds, fabrics, and complementary workplace furnishings.

PARTITIONS & SPACE PLANNING

Office partitions, glass dividers, workstation planning, and practical space redistribution.

INSTALLATION, REFURBISHMENT & RECONFIGURATION

Delivery, assembly, placement, repair, refinishing, reupholstery, relocation, and workspace reconfiguration.

CLEANING & HYGIENE SUPPLIES

Reliable products for cleaner, safer, and better-equipped facilities.

vendō provides cleaning, sanitization, washroom, and personal-hygiene products for offices, factories, restaurants, hospitality venues, and operational facilities.

CLEANERS, DISINFECTANTS & SURFACE CARE

Detergents, disinfectants, sanitizers, glass cleaners, floor-care products, and surface cleaners.

WASHROOM & PERSONAL HYGIENE

Tissues, toilet paper, hand towels, soap, personal-hygiene items, refills, and washroom consumables.

WASTE MANAGEMENT & AIR CARE

Waste bags, bins, sorting containers, air fresheners, scenting products, and everyday waste-handling supplies.

TOOLS, CARTS & JANITORIAL ACCESSORIES

Mops, brushes, buckets, squeegees, cleaning carts, and professional janitorial accessories.

MACHINES & INDUSTRIAL EQUIPMENT

Vacuum cleaners, industrial vacuums, floor scrubbers, and floor-washing machines.

DISPENSERS & SCHEDULED REPLENISHMENT

Soap, sanitizer, tissue, and paper dispensers, plus recurring supply programs for offices, factories, restaurants, kitchens, and high-use facilities.

CLEANING & SANITIZATION SERVICES

Professional cleaning programs adapted to each facility and operating schedule.

Through coordinated service teams and supervision, vendō supports daily, periodic, specialized, and post-project cleaning requirements across different facility types.

DAILY & PERIODIC CLEANING

Routine cleaning programs for offices, buildings, shared spaces, and operational facilities.

DEEP CLEANING & SANITIZATION

Intensive cleaning and sanitization of facilities, surfaces, washrooms, and high-touch areas.

FLOORS, CARPETS & UPHOLSTERY

Cleaning of hard floors, carpets, rugs, office upholstery, and high-use interior surfaces.

FAÇADES, GLASS & POST-CONSTRUCTION

Interior and exterior glass cleaning, façade care, and removal of dust, residues, and site debris before handover.

INDUSTRIAL & WAREHOUSE CLEANING

Cleaning programs adapted to factories, workshops, storage areas, and industrial sites.

PEST CONTROL, WASTE & SERVICE CONTRACTS

Pest and rodent control, waste removal, cleaning personnel, site supervision, consumable planning, and recurring contracts.

HOSPITALITY, PANTRY & CATERING

Everything required to welcome employees, visitors, and guests.

vendō supplies everyday pantry requirements, serving products, appliances, and coordinated hospitality solutions for offices, meetings, events, and operational venues.

BEVERAGES & PANTRY CONSUMABLES

Water, tea, coffee, sugar, juices, cold drinks, and recurring refreshment supplies.

SERVING & BUFFET SUPPLIES

Cups, plates, cutlery, napkins, trays, serving tools, tableware, and buffet consumables.

COFFEE, WATER & PANTRY EQUIPMENT

Coffee machines, kettles, water coolers, dispensers, refrigerators, microwaves, storage products, and preparation tools.

OFFICE & MEETING HOSPITALITY

Coordinated hospitality requirements for offices, meeting rooms, visitors, and executive areas.

MEALS & LUNCH BOXES

Coordinated meal supply and individually packed lunch-box requirements.

CATERING & VENUE SUPPORT

Kitchen tools, buffet equipment, recurring venue supplies, and catering coordination for events, meetings, conferences, and special occasions.

FACILITIES MAINTENANCE & MANAGEMENT

Coordinated maintenance that keeps facilities safe, functional, and ready for work.

vendō coordinates skilled maintenance requirements across multiple trades, from individual repairs and emergency response to scheduled preventive-maintenance programs.

ELECTRICAL & POWER SYSTEMS

Electrical repairs, panels, lighting, connections, generators, UPS systems, and related equipment maintenance.

PLUMBING, DRAINAGE & LEAKS

Water and drainage networks, sanitary connections, leak detection, and corrective repairs.

HVAC & REFRIGERATION

Air-conditioning, ventilation, and refrigeration inspection, repair, and periodic servicing.

CARPENTRY, DOORS & LOCKS

Furniture repairs, doors, frames, locks, wooden fixtures, and general carpentry requirements.

METAL, ALUMINUM & GLASS

Welding, metalwork, aluminum systems, glass repairs, and associated maintenance.

BUILDING PROTECTION & SPECIALIZED SUPPORT

Waterproofing, thermal insulation, moisture treatment, elevator coordination through specialized providers, equipment servicing, and landscape maintenance.

PREVENTIVE & EMERGENCY PROGRAMS

Scheduled maintenance contracts, emergency repairs, inspection follow-up, and ongoing facility-needs coordination.

CONTRACTING, FIT-OUT & FINISHING

From an unfinished space to a complete, operational workplace.

vendō coordinates interior finishing and fit-out activities across offices, branches, facilities, and renovation projects, with one organized delivery path from site works to handover.

PAINTING, PLASTERING & WALL FINISHES

Interior and exterior painting, plastering, masonry repairs, surface preparation, and finishing.

CEILINGS & PARTITIONS

Gypsum board, suspended ceilings, office partitions, glass dividers, and space separation.

FLOORING & TILING

Ceramic, porcelain, marble, wood flooring, vinyl flooring, and installation accessories.

ELECTRICAL, PLUMBING & LIGHTING

Electrical installations, lighting units, plumbing, drainage connections, and sanitary fixtures.

INSULATION & MOISTURE TREATMENT

Waterproofing, thermal insulation, leak protection, and treatment of moisture-affected areas.

ALUMINUM, GLASS & JOINERY

Aluminum systems, glass works, doors, counters, woodwork, and customized interior elements.

INTERIOR FINISHES, RENOVATION & HANDOVER

Decorative finishes, material coordination, office renewal, final installation, snag correction, cleaning, and ready-to-operate handover.

BUILDING & FINISHING MATERIALS

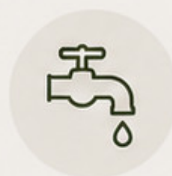

The right materials, matched to the required specifications and application.

vendō sources construction, maintenance, and finishing materials for individual requirements, recurring site needs, and complete project delivery.

ELECTRICAL & LIGHTING MATERIALS

Cables, breakers, panels, sockets, switches, conduits, lighting units, lamps, fixtures, accessories, and electrical consumables.

PLUMBING & SANITARY MATERIALS

Pipes, fittings, valves, drainage products, sanitary fixtures, taps, and installation accessories.

PAINTS, ADHESIVES & INSULATION

Paints, coatings, preparation materials, adhesives, sealants, waterproofing, and thermal-insulation products.

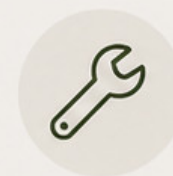

WOOD, ALUMINUM & GLASS

Wood products, carpentry accessories, aluminum sections, glass, fittings, and installation materials.

TILES, MARBLE & FLOORING

Ceramic, porcelain, marble, vinyl, wood flooring, skirting, decorative products, and related installation materials.

TOOLS & SPECIFICATION-BASED SOURCING

Hand tools, power tools, measuring equipment, site consumables, and products sourced against descriptions, quantities, samples, drawings, or approved alternatives.

PRINT, BRANDING & SIGNAGE SOLUTIONS

Consistent brand execution across print, spaces, vehicles, and events.

vendō coordinates the design, production, finishing, and installation of corporate print and branded communication materials across multiple formats.

CORPORATE STATIONERY & MARKETING PRINT

Business cards, letterheads, envelopes, invoices, forms, folders, flyers, brochures, catalogues, magazines, and promotional print.

BANNERS & DISPLAY SYSTEMS

Banners, roll-ups, pop-ups, backdrops, event graphics, and portable display systems.

SIGNAGE & WAYFINDING

Indoor and outdoor signs, directional signs, identification panels, and information systems.

STICKERS, LABELS & PACKAGING

Stickers, product labels, printed packaging, wrapping, boxes, and branded product presentation.

VEHICLE & POINT-OF-SALE BRANDING

Vehicle graphics, fleet identification, wraps, retail displays, promotional stands, and branded point-of-sale materials.

EXHIBITIONS & BOOTHS

Exhibition graphics, conference materials, booth branding, production, installation, and dismantling support.

UNIFORMS & WORKWEAR

Practical, consistent, and role-appropriate clothing for every team.

vendō coordinates uniform design, sizing, production, branding, and delivery for corporate, industrial, hospitality, security, cleaning, and maintenance teams.

CORPORATE UNIFORMS

Shirts, trousers, jackets, polos, T-shirts, and coordinated clothing for office and customer-facing teams.

INDUSTRIAL & OPERATIONAL WORKWEAR

Durable uniforms for factories, workshops, warehouses, technical teams, and field operations.

HOSPITALITY & RESTAURANT UNIFORMS

Role-specific clothing for hotels, restaurants, kitchens, service teams, and front-of-house staff.

SECURITY, CLEANING & MAINTENANCE

Uniforms designed for security, cleaning, facilities, and maintenance functions.

FOOTWEAR, ACCESSORIES & CUSTOM SIZING

Work shoes, boots, caps, aprons, belts, custom garment designs, colors, fabrics, samples, and complete size ranges.

BRANDING, VOLUME SUPPLY & REPLENISHMENT

Heat-transfer and screen printing, name and logo embroidery, bulk orders, employee allocation, replacements, and recurring supply programs.

PROMOTIONAL GIFTS & CORPORATE MERCHANDISE

Useful, memorable branded items for employees, clients, and events.

vendō supports product selection, customization, packaging, and delivery for everyday giveaways, premium gifts, recognition items, and special occasions.

DESK & WRITING ITEMS

Pens, notebooks, agendas, desk organizers, desktop accessories, and office gift sets.

DRINKWARE & PERSONAL ITEMS

Mugs, bottles, tumblers, bags, wallets, and practical personal accessories.

TECH ACCESSORIES

USB drives, charging cables, chargers, power accessories, and useful electronic gift items.

AWARDS, CLOCKS & OFFICE DECOR

Plaques, trophies, medals, commemorative items, desk clocks, wall clocks, and functional branded products.

GIFT BOXES & OCCASION PROGRAMS

Curated gift boxes and coordinated gifts for employees, clients, conferences, launches, celebrations, and seasonal occasions.

CUSTOM BRANDING & EXECUTION

Product selection, packaging, logo printing, engraving, embroidery, custom colors, and bespoke production.

MARKETING, DESIGN & DIGITAL SERVICES

Creative support that turns business messages into consistent brand communication.

vendō coordinates creative and digital requirements from individual design tasks to complete communication campaigns and branded business materials.

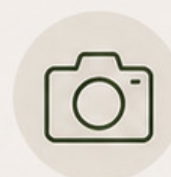

BRAND IDENTITY & CAMPAIGN DESIGN

Logo design, visual-identity systems, brand refinement, campaign concepts, advertising materials, and multi-format visual assets.

SOCIAL MEDIA & MARKETING CONTENT

Content planning, social-media account management, publishing coordination, post design, copywriting, profiles, and promotional content.

PHOTOGRAPHY & VIDEO PRODUCTION

Product photography, facility photography, corporate coverage, and promotional video production.

PRESENTATIONS & COMPANY PROFILES

Corporate presentations, proposals, company profiles, visual reports, and branded documents.

WEBSITES & LANDING PAGES

Business websites, campaign landing pages, content structure, design, and coordinated implementation.

DIGITAL ADVERTISING & CAMPAIGN SUPPORT

Campaign setup, creative adaptation, promotional planning, and digital advertising coordination.

SAFETY & FIRE PROTECTION

Essential products and support for safer people, workplaces, and operations.

vendō supplies personal protective equipment, fire-protection products, emergency items, safety signage, and coordinated inspection or maintenance requirements.

PPE, PROTECTIVE CLOTHING & FOOTWEAR

Helmets, gloves, safety glasses, masks, hearing protection, safety shoes, protective uniforms, reflective vests, and harnesses.

FIRE EXTINGUISHING EQUIPMENT

Fire extinguishers, cabinets, hoses, reels, accessories, and related fire-response products.

FIRE ALARM & DETECTION SYSTEMS

Smoke detectors, heat detectors, alarm components, and coordinated fire-alarm and firefighting-system requirements.

EMERGENCY & FIRST-AID PRODUCTS

First-aid kits, emergency supplies, evacuation items, and essential response products.

TRAFFIC CONTROL & SAFETY SIGNAGE

Barriers, cones, warning tape, reflective products, emergency-exit signs, hazard labels, directional signs, and safety instructions.

INSPECTION, SERVICING & MAINTENANCE

Coordinated inspection, servicing, refilling, replacement, and maintenance of safety equipment.

TOOLS, EQUIPMENT & SPARE PARTS

Operational equipment and replacement parts sourced to the required specification.

vendō supports workshops, facilities, factories, and technical teams with tools, equipment, maintenance consumables, and spare parts identified by description, part number, or sample.

HAND & POWER TOOLS

Manual tool sets, fastening tools, electric and cordless equipment, drilling, cutting, grinding, and related accessories.

LIGHT & HEAVY EQUIPMENT

Operational equipment selected according to application, capacity, site conditions, and project requirements.

PUMPS, MOTORS & ELECTRICAL PARTS

Pumps, motors, cables, control panels, batteries, generators, and supporting components.

SPARE PARTS, LUBRICANTS & FILTERS

Machine and equipment parts, mechanical components, oils, greases, filters, workshop consumables, and recurring maintenance products.

MEASURING, TESTING & WELDING

Measuring tools, inspection devices, welding equipment, and welding consumables.

PART-NUMBER & SAMPLE SOURCING

Parts sourced by technical description, part number, physical sample, or suitable approved alternative.

HOTEL & RESTAURANT SUPPLIES

Coordinated operational supplies for hospitality and food-service environments.

vendō supplies the products, equipment, furnishings, consumables, and recurring requirements used across kitchens, dining areas, guest rooms, washrooms, storage areas, and service operations.

KITCHEN TOOLS & EQUIPMENT

Preparation tools, cookware, utensils, appliances, and practical commercial-kitchen requirements.

TABLEWARE, SERVING & BUFFET PRODUCTS

Plates, cups, glassware, cutlery, trays, buffet equipment, presentation products, and food-service accessories.

FURNITURE, FIXTURES & STORAGE

Tables, chairs, counters, shelving, food-storage products, guest-area furnishings, and operational fixtures.

LINENS, TOWELS & ROOM SUPPLIES

Bed linens, towels, room accessories, washroom products, and guest-area requirements.

HYGIENE, PACKAGING & DISPOSABLES

Cleaning and sanitization products, food packaging, takeaway containers, paper products, plastic products, and service disposables.

UNIFORMS & RECURRING OPERATIONAL SUPPLY

Staff uniforms, kitchen clothing, and scheduled replenishment based on consumption, occupancy, menu operations, and site requirements.

FACTORY & WAREHOUSE SUPPLIES

Practical products that support production, storage, movement, and maintenance.

vendō coordinates recurring and project-based requirements for factories, workshops, warehouses, storage facilities, and industrial operating sites.

OPERATIONAL TOOLS & EQUIPMENT

Tools, light equipment, workshop products, and everyday operational requirements.

SAFETY PRODUCTS & WORKWEAR

PPE, protective clothing, safety footwear, uniforms, barriers, warning products, and emergency supplies.

MAINTENANCE, SPARES & CONSUMABLES

Spare parts, industrial components, repair products, lubricants, filters, electrical components, and maintenance consumables.

PACKAGING & DISPATCH MATERIALS

Cartons, wrapping, stretch film, labels, tapes, pallets, and dispatch consumables.

STORAGE & MATERIAL HANDLING

Racks, shelving, bins, cabinets, carts, trolleys, lifting accessories, and internal transport requirements.

INDUSTRIAL CLEANING, SIGNS & REPLENISHMENT

Cleaning materials and equipment, warning signs, floor markings, operational labels, and scheduled replenishment of frequently used items.

AUTOMOTIVE & FLEET SUPPLIES

Coordinated products and support for reliable company vehicles and fleets.

vendō supports individual vehicles and business fleets with recurring consumables, replacement parts, maintenance products, tracking requirements, outfitting, and coordinated servicing.

TIRES & BATTERIES

Vehicle tires, batteries, replacement requirements, and related fitting coordination.

OILS, FILTERS & FLUIDS

Engine oils, lubricants, filters, coolants, fluids, and periodic service consumables.

SPARE PARTS & MAINTENANCE SUPPLIES

Mechanical, electrical, body, and lighting parts, plus workshop tools, service products, and emergency kits.

WASHING & VEHICLE CARE

Cleaning products, washing tools, interior-care products, and vehicle-presentation supplies.

TRACKING & FLEET OUTFITTING

Tracking and monitoring devices, installation coordination, storage additions, fleet identification, safety products, and operational accessories.

MAINTENANCE & RECURRING SUPPLY

Coordinated servicing and scheduled replenishment of frequently used fleet requirements.

LOGISTICS, DISTRIBUTION & STORAGE

Organized movement from collection and packing to final site delivery.

vendō coordinates the physical flow of products and project requirements across headquarters, branches, operating sites, events, and temporary storage points.

BUSINESS & BRANCH SETUP

One coordinated source for a site that is ready to operate.

vendō brings fit-out, furniture, technology, branding, safety, cleaning, hospitality, and operating supplies together through one organized setup plan.

- 1**  **FIT-OUT & MEP WORKS**
Finishing, electrical, plumbing, lighting, air-conditioning, partitions, and practical site preparation.
- 2**  **FURNITURE & WORKSPACES**
Desks, seating, storage, meeting areas, reception counters, and customized furniture.
- 3**  **IT, NETWORKS, SECURITY & ATTENDANCE**
Computers, printers, servers, UPS systems, networks, communications, CCTV, recording, attendance, and access control.
- 4**  **SIGNAGE & BRAND APPLICATION**
Exterior signs, internal identification, wayfinding, wall graphics, and branded site materials.
- 5**  **CLEANING, HYGIENE & PANTRY**
Initial cleaning, washroom supplies, pantry appliances, beverages, and recurring consumables.
- 6**  **UNIFORMS & SAFETY**
Employee uniforms, workwear, PPE, firefighting products, emergency supplies, and safety signs.
- 7**  **FINAL SETUP & HANDOVER**
Installation coordination, final checks, furniture placement, supply stocking, and ready-to-operate handover.

One plan. Multiple workstreams. One operational handover.

MULTI-SECTOR CAPABILITY

INDUSTRIES WE SERVE

Our model adapts to different operating environments, procurement structures, site requirements, and service schedules.

GOVERNMENT & PUBLIC SECTOR

Multi-category supplies, technical requirements, maintenance, and coordinated project delivery.

CORPORATE OFFICES

Workplace supplies, furniture, IT, cleaning, hospitality, branding, and recurring operational support.

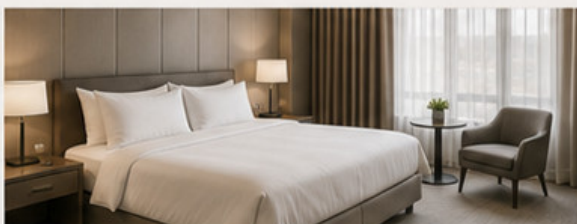

FACTORIES & INDUSTRIAL SITES

Tools, PPE, equipment, spare parts, maintenance supplies, cleaning, storage, and workwear.

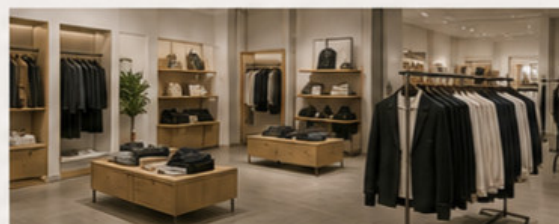

WAREHOUSES & LOGISTICS OPERATIONS

Storage systems, packaging, material handling, safety products, fleet support, and distribution.

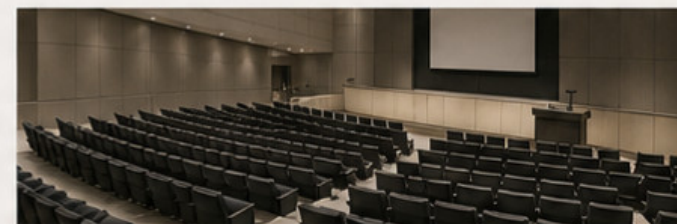

HOTELS, RESTAURANTS & HOSPITALITY

Kitchen, tableware, linen, hygiene, uniforms, equipment, pantry, and recurring consumables.

RETAIL & CUSTOMER-FACING BRANCHES

Fit-out, signage, furniture, technology, uniforms, point-of-sale materials, and launch support.

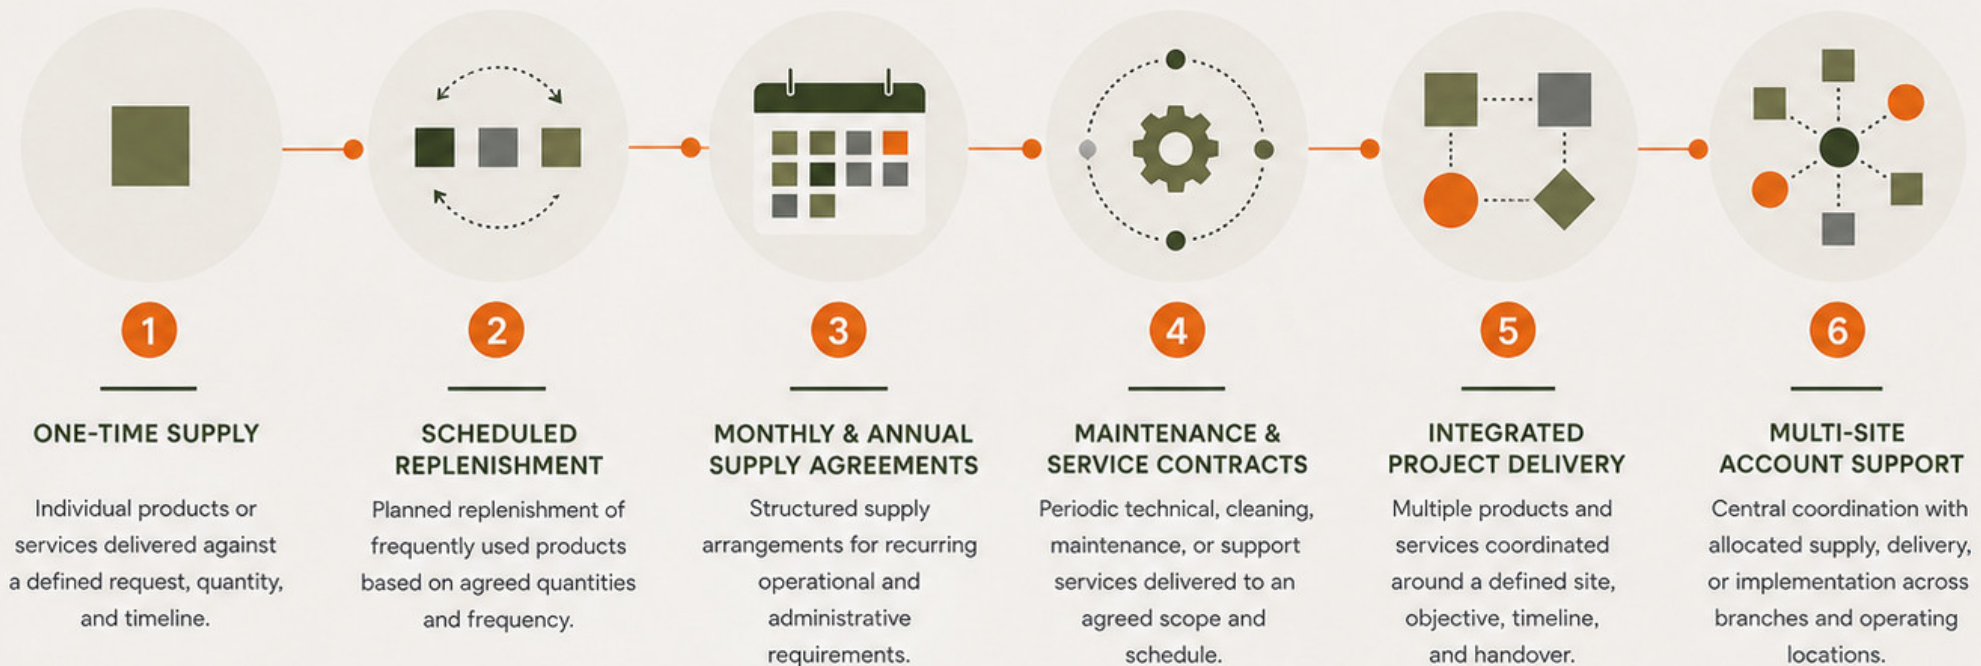

EDUCATION, CULTURE & EVENTS

Office, technology, maintenance, print, furniture, facility support, event requirements, temporary setups, logistics, and final handover.

FLEXIBLE ENGAGEMENT MODELS

The right level of support for each requirement, schedule, and operating model.

One partner, whether the requirement is individual, recurring, service-based, multi-site, or project-led.

A COORDINATED DELIVERY PROCESS

HOW WE WORK

A clear process keeps specifications, responsibilities, delivery, implementation, and follow-up aligned from the beginning.

**One accountable path
from request to completion.**

DELIVERY STANDARDS & ONGOING SUPPORT

Careful coordination before, during, and after delivery.

REQUIREMENT ALIGNMENT

Products and services are coordinated against the confirmed specifications, quantities, scope, and site conditions.

SUPPLIER & SERVICE COORDINATION

Relevant supply, technical, installation, and logistics activities are organized through one point of contact.

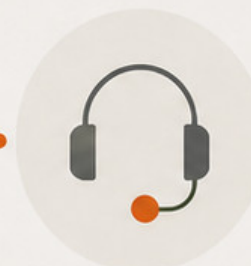

DELIVERY CONTROL

Quantities, destinations, delivery sequencing, receiving conditions, and multi-site allocation are followed through.

INSTALLATION & HANDOVER

Installation, configuration, commissioning, placement, testing, and practical handover are coordinated where required.

WARRANTY & MAINTENANCE COORDINATION

Warranty cases, preventive maintenance, corrective maintenance, and specialist support are followed up as applicable.

ONGOING ACCOUNT SUPPORT

Recurring needs, replacements, additional requests, and future projects remain connected through one coordinated relationship.

Delivery is not the end of the relationship.

WHY vendō

Different needs. One dependable source.

1. ONE POINT OF CONTACT

A single coordinated relationship across products, services, sites, and project requirements.

2. MULTI-CATEGORY CAPABILITY

Broad coverage across workplace, technology, facilities, branding, industrial, logistics, and operational needs.

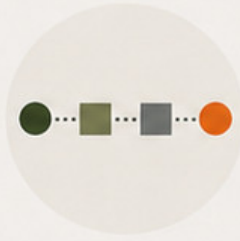

3. PUBLIC-SECTOR EXPERIENCE

A foundation built through serving government and public-sector organizations since 2015.

4. FLEXIBLE ENGAGEMENT

Support for individual requests, recurring contracts, urgent needs, and integrated projects.

5. END-TO-END COORDINATION

Sourcing, supply, delivery, installation, operation, maintenance, and follow-up through one partner.

6. NATIONWIDE REACH

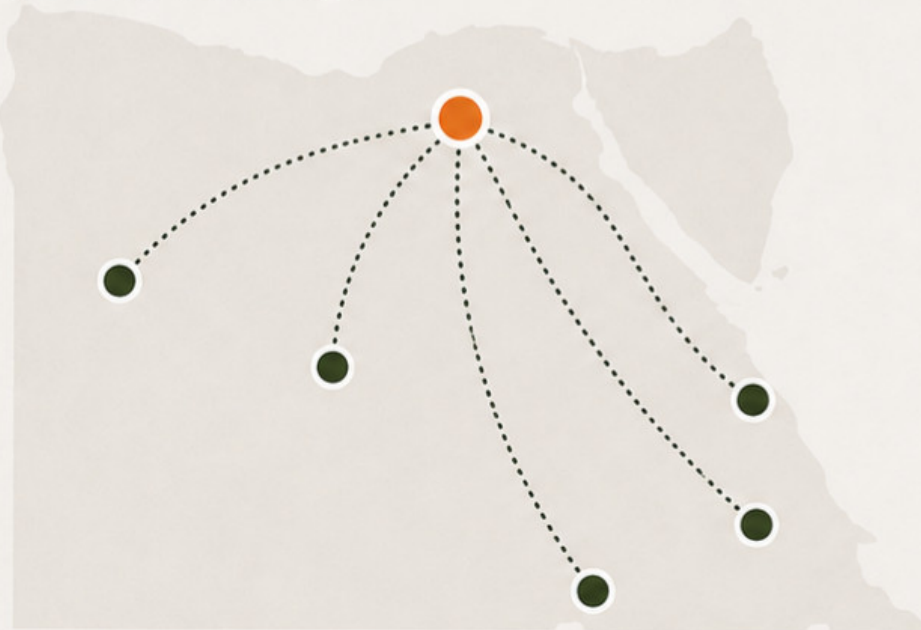

Cairo-based coordination with service coverage across Egypt according to project and site requirements.

Less coordination. Clearer accountability. More complete support.

CAIRO-BASED. SERVING EGYPT.

SERVICE COORDINATION ACROSS EGYPT

From our Cairo base, vendō coordinates delivery, implementation, and support for client offices, facilities, operating sites, and project locations across Egypt.

1. DELIVERY TO CLIENT LOCATIONS

Products and project requirements delivered to one or multiple confirmed client locations.

2. MULTI-LOCATION REQUIREMENTS

Central coordination of quantities, schedules, and allocated deliveries across the client's different locations.

3. ON-SITE IMPLEMENTATION

Installation, setup, technical work, maintenance, and practical handover coordinated at the required site.

4. PROJECT-BASED LOGISTICS

Transport, temporary storage, staged delivery, and site coordination planned around each project's scope and schedule.

One coordinated relationship, wherever the requirement needs to be delivered.

— ESTABLISHED 2015

BUILT ON PUBLIC-SECTOR EXPERIENCE

A proven foundation. A broader business future.

vendō began by serving government and public-sector organizations, supporting varied supply, technical, operational, and project requirements.

That experience shaped a practical working model built around clear specifications, diverse categories, coordinated delivery, and dependable follow-up. Today, we are extending that approach to private-sector organizations across Egypt.

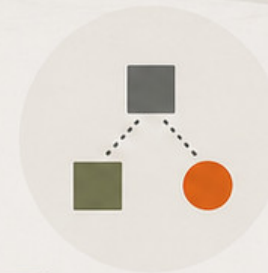

1. 2015 FOUNDATION

Established in Cairo with a focus on procurement and general supplies.

2. B2G FOUNDATION

Experience supporting government and public-sector requirements across multiple supply, service, and project categories.

3. B2B EXPANSION

Growing to support private-sector operations, branches, facilities, and projects through one flexible source across Egypt.

PUBLIC-SECTOR EXPERIENCE

SELECTED CLIENTS

Our experience includes supporting requirements for government, public-sector, utility, and cultural organizations.
